Mr. S. H. Posey,
508 Dixon St.,
Homestead, Pa.

Dear Posey:

The Yanks and Cubans have agreed to the change for August 31st, Semler signed an agreement with me at the Park yesterday, saying he would come to Newark on that day. We talked with Pompey on the phone and he said he would stay out West with the Grays. Please send me an air-mail-special O. K.ing this day, as I must order my placards.

In my last letter to you I asked what about League games on our scheduled trip West. Please answer this question also.

Also I got The Stars to release me from the date of Saturday, August 23rd, as I did not see how we could play in Canton the night of the 22nd with the Grays and get to Phila for a doubleheader Saturday. If you can arrange some spot between Canton and Newark for that date, we will stop and play with you. As you know we are in Yankee Stadium Sunday, August 24th.

I had a phone call from Gottlieb, asking my permission to bring Kansas City in the Stadium August 24th featuring Satchell and taking \$300.00 out of the money for him again. You know my answer of course. I do not know what they will eventually do about it.

Now Posey all the dates I know on our trip are August 11th at York, 12th Altoona, 17th Columbus, and Dayton that night and the 22nd Canton. Will you please send me the complete schedule and with it the name and addresses of the Hotels in the various Cities, so I can write for reservations for the team. Will you please also ask Cum to answer my letter about the Elks' game in Atlantic City August 29th. I want to order those placards also. Please get me an air-mail-special in the mail at once, so I can order my cards for August 31st.

Very truly yours,
